## Sales & Merchandising Traineeship

Dates: Monday 22nd October 2018  
Full time 5 days a week for 24 weeks

Locations: Nationwide

# Sales & Merchandising Traineeship

## Course Overview

CPM are responsible for the sales and promotion of some of Ireland's best known brands including Pepsi, Walkers, Tropicano, Guinness, Gordons Gin and Johnny Walker to name but a few. In association with Taste 4 Success Skillnet, CPM are delighted to announce an exciting and new training opportunity in Sales & Merchandising. Those selected to undertake this traineeship, will receive best practice development through classroom training coupled with on-the-job practical experience dealing with retail stores throughout the country. Trainees will be recruited into different regions and work closely with their CPM mentor to merchandise and sell the various products in our portfolio.

This traineeship programme will involve both classroom and on-the-job training over the course of 24 weeks. It leads to a Certificate in Quality (Sales & Merchandising) which incorporates FDQ accreditation aligned to Level 4 on the NFQ. Trainees may be allocated the use of a company vehicle from time to time, and so a full drivers licence is an essential requirement.

The traineeship programme is aimed at job-seekers who are in receipt of job-seekers benefit, job-seekers allowance, or Credits. Potential trainees may also be those looking to commence a career in sales and merchandising techniques, or those looking to change career. Those in receipt of job-seekers allowance, benefit or credits will not have their payments impacted, if successful in their application.

At the end of the programme, it is anticipated that jobs will be offered (as those positions become available), to those who have (a) successfully completed the traineeship programme, and (b) achieved the qualification. CE and TUS and other benefits are not eligible for this programme.
