# Sustainability Strategy

Online platform to input, analyse and report your business's sustainability agenda. Access the tools and resources to unlock value for your business through sustainability.

## Sustainability Programme

We have partnered with ENSO to deliver this unique sustainability programme for food and drink businesses in Ireland. This fully-funded programme will give you all of the tools and resources needed to unlock value for your business through sustainability.

Input your business information into the ENSO online platform to start building your sustainability strategy.

Analyse your sustainability roadmap and track your progress through the user-friendly tools and dashboard.

Report and communicate all of your great work transparently to new customers, employees and prospective investors or partners.

This is a fully-funded and exclusive programme for Taste 4 Success members to create their own sustainability strategy through the new ENSO online platform and also to receive training on implementation and sustainability best practice.

## Key Features

**Access:** Create, manage and communicate your sustainability strategy through the ENSO platform for 12 months. (Package worth €1,200)

**Training:** Weekly onboarding and Q&A webinars will be available to all participating businesses.

**Output:** Receive the ENSO digital badge and a bespoke sustainability webpage for your business.

## Eligibility Criteria:

This programme is a fully-funded initiative of Taste 4 Success Skillnet, under its Strategy Green Project.

The programme will enable Irish SME food and drink businesses to input, analyse and report on their sustainability agenda.

Training, resources and ongoing support will be provided throughout the programme for those who successfully secure a place.
